To Mark Stilson
State Engineer

The selection of a River Commissioner by the Huntington Creek Distribution System Committee on March 14, 2006 presents many unusual circumstances to say the least and doesn't represent our desire as an Irrigation Board representing the Huntington Cleveland Irrigation Company.

We, Board members undersigned, believe that Kay Jensen should not be replaced but should continue to serve as River Commissioner for the Huntington Creek Drainage.

Dennis Inghel
Cathy Althoff
Allen Stark
Paul Gardner
Ed U. Carter
Kay Jensen
